

# Speaker Bio

Dr. Michele D. Clark, LMSW, is a globally acclaimed transformational speaker, best-selling author, and visionary coach dedicated to empowering breast cancer survivors. With over two decades of experience and a profound personal journey through Stage 2 Breast Cancer, Dr. Michele brings unparalleled authenticity, inspiration, and wisdom to her speaking engagements.

As the CEO and Founder of LIFT After Breast Cancer, Dr. Michele has transformed her life's challenges into a beacon of hope for women worldwide. Her dynamic presentations blend her rich educational background in Psychology, Social Work and Entrepreneurship & Business Administration with her personal stories of triumph over adversity. Dr. Michele's talks resonate deeply with audiences, leaving them inspired to embrace their strength, pursue their passions, and transform their lives.

Dr. Michele's innovative LIFT Framework and the concept of Belief Equity™ are cornerstone methodologies in her approach to helping women break free from limitations and achieve their fullest potential. Her engaging and heartfelt speaking style has made her a sought-after keynote speaker at numerous prestigious events, where she continues to inspire and empower audiences with her message of resilience and transformation.

Through her work, Dr. Michele fosters a community of support and empowerment, guiding breast cancer survivors to live inspired, free, and transformed lives. Her dedication to fostering resilience and self-empowerment makes her not only a transformative speaker but also a true advocate for personal growth and holistic healing.

When she's not speaking, Dr. Michele continues to support the LIFT After Breast Cancer Community through workshops, retreats, and coaching sessions, always with the goal of helping women reclaim their strength and thrive beyond survival. Her passion for empowering others and her joyful approach to life make her a beloved figure in the field of personal transformation.
